03. WE ARE...

PUBLICUM

Our seating solutions harmoniously integrate functionality with aesthetic finesse, catering to the unique dynamics of public gatherings.

THEATRE

We specialize in crafting seats that not only complement the architectural elegance of traditional theatres but also align with the innovative aesthetics of modern spaces.

EDUCATION

Figueras precisely designs seating that optimizes the functionality of academic spaces, adapting to their current needs.

STADIUMS & ARENAS

Tailored to capture the spirit of sports, embodying the passion of the crowd. Seats created for each space, from General Areas to VVIP zones.

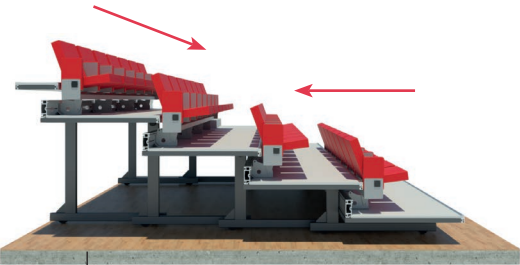

CINEMA

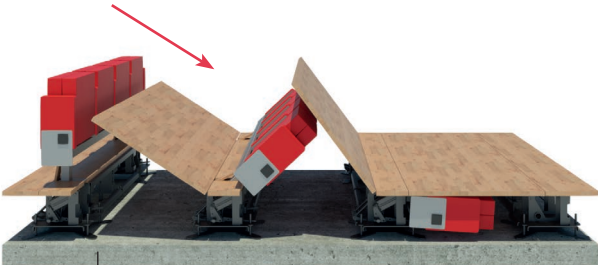

Designed for all types of cinema venues, our seating combines durability and functionality, Reflecting our deep understanding of what real cinemagoers cherish.

04. WE ALSO ARE... VERSATILITY

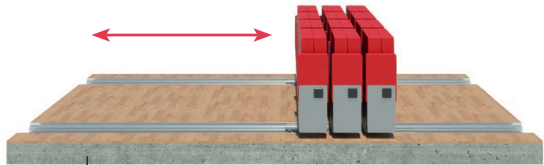

Experience unparalleled optimization and profitability for your venue. Figueras' movable seating systems are not just about space-saving; they embody the pinnacle of quality, safety, reliability, and comfort.

05. SEATING IS NOT JUST ABOUT SEATS
IT IS ABOUT TANGIBLE VALUE.

An enabler for experience.

A solution built to last, supporting a sustainable approach and minimizing operational costs as well as ensuring safety.

A modular system to adapt to changing configurations and uses.

A key connection point between people and the event through technology.

06. OUR WAY TO GO
WHAT MAKES US DIFFERENT.

CLIENT-ORIENTED
DESIGN

Design and processes aligned with the real needs of each project

SMART &
SUSTAINABLE
SYSTEMS

Durable, low-maintenance seating designs that support sustainability goals.

CERTIFIED SAFETY
& COMPLIANCE

Compliant with international standards for load, fire and evacuation, because people's safety comes first.

EXECUTION
CONTROL

Project Management, Quality Assurance and Quality Control, and Health, Safety and Environment throughout the project lifecycle.

PARTNERING LOCAL
ECOSYSTEMS

Working with local partners to build sustainable capabilities and deliver efficient solutions.

TRUSTED LONG-TERM
PARTNERSHIP

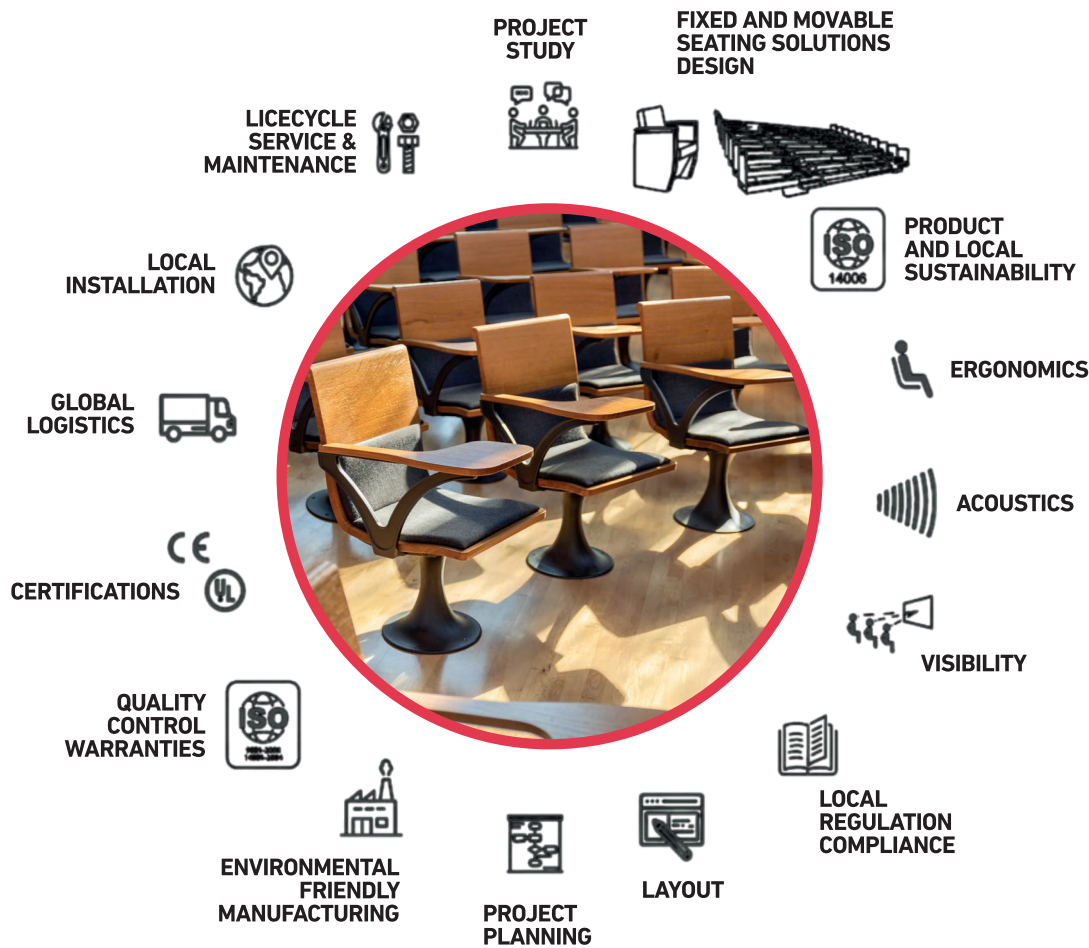

Long-term partnerships, driven by trust, respect and shared goals.

07.

OUR VISION

ADD VALUE THROUGHOUT THE ENTIRE PROJECTLIFECYCLE.

As a project-oriented company, we deliver smart and integrated solutions, from design to execution and handover, providing a 360° service.

08.
